

ZIONSVILLE WASTE WATER MONTHLY REPORT

	<u>AUGUST 2011</u>	<u>AUGUST 2010</u>
TOTAL FLOW	25.92 million gallons	25.54 million gallons
HIGHEST DAILY FLOW	0.986 million gallons	1.03 million gallons
AVERAGE DAILY FLOW	0.836 million gal/day	0.824 million gal/day
PRECIPITATION	1.3 in	0.36 in
NPDES VIOLATIONS	0	0

ADDITIONAL COMMENTS:

- The 2011 Sewer Project is about 90% complete. There were two sewer segments that needed to have point repairs made to them in order for the lining to be installed. Those point repairs were made by the end of August and the contractor, Insituform Technologies, Inc., has scheduled the completion of those two segments for the second week of September.

Respectfully submitted,

Dennis Mackey
W.W. Dept. Superintendent
